June 2026

National Volunteer Week

This month we celebrate volunteering week. It is a chance to acknowledge the hard work so many volunteers put into our Centre every single week. Thanks to those who assist in the kitchen for whanau afternoons or events, help and sort kai for the kai store, perform maintenance or

gardening jobs, cleaning, programme support for our tamariki right through to our kaumatua, security, Te Reo tutors and so much more. We simply could not provide what we do to the community without your ongoing support. Thank you.

Matariki

As we celebrate Matariki, we are reminded of the importance of taking time to reflect on the year that has passed, to give thanks for the people who have walked alongside us, and to look forward with hope to the opportunities ahead. It is also a special time to strengthen connections with our whānau, neighbours and wider community, showing kindness, generosity and care for one another. Happy Matariki!

We invite you to join our Matariki activities during these school holidays. This is a great day for all ages. See inside for details. There will be flax weaving, cookie decorating, art competition, dark room and more. We will be concluding with a free community meal. Come on down for lots of good food.
