August 2026

The July school holidays were filled with fun, creativity, learning, and community at Good News Community Centre!

Our Matariki Community Celebration brought people of all ages together to enjoy weaving, star biscuit decorating, art, interactive health activities including a walk-through bowel display thanks to the National Bowel Screening Programme, and much more. Be sure to stop by the centre to view the wonderful pieces created on the day by both young and old, now proudly on display.

We also hosted a fantastic Kids' Sports Morning, where children enjoyed trying rippa rugby, dodgeball, basketball, and hockey in a fun, encouraging environment. It was wonderful to see so many young people making new friends, staying active, and building confidence through play.

A huge thank you to everyone who attended, volunteered, and partnered with us to make these events such a success. We look forward to seeing you at our upcoming community programmes and events!

Food Parcel Updates

We have food parcel orders on Wednesday and Fridays. If you are a WINZ client please remember to collect a food grant decline letter first. Please note if you have already received 3 parcels you will be expected to be signed up with a budgeter. Any questions please feel free to contact our team.

Whanau afternoons

Sundays during term time, come for food, fun, faith as we explore through activities such as cooking, games, crafts, sports, carpentry and more. We finish with dinner and icecream. All ages welcome to join in the fun. 3:30pm-5:30pm Sundays.
