September

September is Wills Month – Have You Made Your Will?

September is Wills Month, making it a great time to think about putting a Will in place.

Having a Will is an important way to make sure your wishes are known and that the people you care about are looked after. In New Zealand, if you die without a Will, the law determines how your estate is distributed. And this costs! We have partnered with EveryWill so that you can write your will for free.

It's free,
quick and
easy!

—♡—

Once you have taken care of your family and friends, you may also like to consider leaving a gift to Good News Community Centre in your Will. A gift of any size can help support the work we do in our community and create a lasting legacy for future generations.

There is no obligation to leave a gift — we simply invite you to consider it if Good News Community Centre is a cause that is meaningful to you.

Writing Your Will is Easy

You can create your Will online in a few simple steps:

EveryWill

Simple. Free. Online.

- 1 Visit EveryWill using the link below.
<https://everywill.co.nz/c/goodnews>
- 2 Answer the simple questions to create your Will.
- 3 Review your Will and follow the instructions to complete and finalise it.

This September, take a little time to plan ahead and give yourself and your loved ones peace of mind... ♡

Te Wiki o Te Reo Māori

This week we celebrate Te Wiki o Te Reo Māori, and what better way to celebrate than by learning and using te reo together!

Come along to our friendly, relaxed te reo Māori classes on **Mondays at 5:30pm** and learn alongside others in our community. There are no formal assessments or exams — just a welcoming opportunity to build your confidence, learn at your own pace and enjoy using te reo Māori in everyday life.

Please note: classes do not operate during the school holidays.
